Drive against Power pilferage in the areas of PESCO Sikandar Pura sub division.

During the campaign to curb the power pilferage, PESCO Sikandar Pura sub division teams checked several premises in the areas of Lahori Gate and other areas nabbed 8 tampered meter involved in power pilferage. Similarly FIR have also been lodged against a person Akhtar Hussain r/o Mohallah Shah Masoom for beating PESCO Line Man Bashir while he was removing a direct connection. The accused has been arrested and lockup.

PESCO has once again warned electricity stealers to stop power pilferage in the larger interest of the nation, due to which PESCO has to face huge financial losses on one hand and on the other hand PESCO's whole distribution system gets over loaded and the general public faces inconvenience of frequent power break downs.
